B. Description of the main characteristics of the product

1. Type of product

1.1 Commercial name of the product	Visa Corporate Credit Card
1.2 Category	Credit Card

2. Description

It is a personal and untransferable payment method, from the international Visa network. It works as a payment method, which allows the cardholder to make payments for goods or services through Point-of-Sale payment terminals (POS) in Automatic Teller Machines (ATM), and in e-commerce platforms belonging to the Visa network. It allows the cardholder to request balance inquiries and withdraw cash on credit (cash advance) in Automatic Teller Machines (ATM) belonging to the Visa network.

3. Conditions of use

Existence of an associated current account;

Use by credit, subject to a limit available in the associated card-account; The limit is subject to approval in a credit circuit defined by the Bank;

Subject to the presentation of a collateral deposit as guarantee;

Use in the Visa international network.

4. Characteristics

4.1 Type of card	Plastic card with image
4.2 Mandatory mentions	Front: VISA brand identity, ATLANTICO identity, Chip and Visa Hologram; Card number, Cardholder's name and card expiration date. Back: Magnetic stripe, Signature box, Issuing Bank identification, Issuing Bank contacts, Processing Company contacts.
4.3 Currency	Kwanza
4.4 Subscription	It can be done in any ATLANTICO Service point/Branch, by filling in the specific application form with the respective general conditions. Subject to approval in the credit circuit defined by the Bank.
4.5 Ownership	Each card is assigned to a single user/holder, being personal and untransferable.
4.6 Expiration date	Four years from the date of issue.
4.7 PIN Code	Each card is assigned a personal code (PIN) made up of 4 digits. This code is personal and untransferable and can be changed at ATMs. This code is mandatory for ATM and POS transactions.

4. Tax

Fees and consideration for financial services are subject to a 14% VAT rate.

The use of credit through Classic credit cards is exempt from Stamp Duty as long as the repayment of the respective credit is made without the payment of interest, under the contractually defined terms.

However, whenever the use of Multicaixa credit cards generates interest in favor of the Bank, the use of credit becomes subject to Stamp Duty at a rate of 0.1% over the monthly average obtained by adding the daily outstanding balances during the month divided by 30, with the interest charged subject to Stamp Duty at a rate of 0.2%.
