## CONTRACT FEATURES AND SPECIFICITIES

- The Life Risk product is aimed at personal Customers between the ages of 20 and 60 who take out personal loans or mortgages.
- It is an insurance that offers the Customer the possibility to take precautions and ensure the future of his/her family, in case of unexpected situations.
- It is especially designed to cover the risks of Death or Total or Permanent Disability, in case of accident or illness.
- It is designed to ensure the protection of the beneficiaries designated by the Customer, their financial stability and the repayment of the loan.
- This insurance is valid for one year and automatically renewed annually until the end of the associated credit.

## PLAN YOUR AND YOUR FAMILY'S LIFE WITH FORTALEZA SEGUROS

**FORTALEZA Seguros** offers the possibility to all Customers to take precautions and ensure the future of their family, in unexpected situations.

The Life Risk insurance assures the necessary means for the financial reorganization of your family in case of death or disability
